WHY MIMTC 2026?

The Middle East International Medical Tourism Conference and Exhibition (MIMTC) has established itself as one of the most prominent and successful medical tourism events in the Middle East region.

Following the remarkable success of its previous editions:

1ST EDITION – DUBAI
FEB 19–20–21, 2024

2ND EDITION – ABU DHABI
MAY 3–5, 2025

3RD EDITION – DUBAI
DEC 4–5, 2026

Building on this strong foundation, MIMTC conference proudly moves forward with the **4th Edition**, expanding its impact and reinforcing its position as a leading international platform for medical tourism.

The MIMTC Expo is the ultimate platform where international healthcare providers and patients from the GCC and Middle East come together to explore world-class treatments, healthcare services, wellness solutions, and overseas treatment opportunities.

AN EXCEPTIONAL OPPORTUNITY FOR BUSINESS, COLLABORATION & LEARNING

MIMTC brings together leaders and decision-makers in health tourism to collaboratively shape a more dynamic, innovative, and cooperative future for medical tourism in the Middle East and globally.

THE EVENT GATHERS:

1. Healthcare providers and hospitals
2. Medical tourism professionals
3. Government representatives
4. Participants from 20+ countries
5. Thousands of regional & international patients seeking overseas treatment

MIMTC serves as an international cooperation platform, offering exceptional networking, partnership-building, and business expansion opportunities.

ONE STOP BUSINESS SOLUTIONS

**BUSINESS DELEGATIONS
FROM MORE THAN
20 COUNTRIES**

**MORE THAN
100 B2B MEETINGS**

**HIGH-LEVEL
TRAINING SESSIONS**

BENEFITS FROM PARTICIPATION

1. VIP & B2G Engagement

Ministries of Health and embassy representatives from the GCC, Europe, the UK, CIS, and Africa engage with participants through high-level B2G meetings.

2. B2C – Direct Patient Access

Showcase your hospital and healthcare services to a new audience in the UAE, expand across the Middle East, and connect directly with patients through the B2C exhibition platform.

5. B2P – International Cooperation

Connect with hospitals across the Middle East and international markets to expand your B2P network and establish new cross-border collaborations.

3. B2G – Government Collaboration

Meet directors and officials from overseas treatment departments within Ministries of Health across the Gulf region.

4. B2B – Strategic Partnerships

Build long-term partnerships with leading medical tourism facilitators through a pre-arranged B2B program.
